## Special Project

Next week will be PUMPKIN WEEK. We have some fun things planned. Please bring in a pie sized pumpkin so we can dissect them and discuss the parts, sizes, textures, etc. If you can have it in by this Friday, October 26th, that would be super! Thank you for helping to make this a great experience for our students.

## Special Notes:

If you are able to volunteer in the morning between 7:50-8:30 am, please let me know. I am looking to have a couple of parents help with guided reading groups each day. I would appreciate any support you can provide.

Snack time - it is optional, however, with our lunch being so early, it is best for student's that we have time for a snack in the afternoon. Please make sure you are sending your child with a snack. I have been purchasing snacks each week so that everyone has a snack, but I would like to put my funds toward other classroom materials that are needed. Please make sure your child has a snack each day. Donations are also accepted and appreciated.
